Feel confident
Be your best**

NRG Crew is a fitness training session specifically for young people aged 11 - 13. If you want to feel fitter and more confident, come and be part of the NRG Crew where our expert instructors will train and support you to use the high tech gym equipment at Leisurezone.

All sessions are supervised by qualified instructors and includes the use of all cardiovascular and Easyline hydraulic resistance equipment (to tone muscle without using weights).

At Leisurezone we have the very latest in Technogym equipment, which means you can enjoy touchscreen technology and a more personalised fitness monitoring. You can also plug your iPod in to the machines whilst you train! Exercise to keep you interested!

You can compete against ghost riders and each other on our new X-Dream bikes and track your fitness progress on all our equipment and smart media. We'll show you working out can be fun.
